MR. MULHOLLAND'S UPDATE

This week saw the commencement of the annual Cross-Country League our Year 6 teams will be taking part in. As noted by Mrs Smith on the Facebook page, "Some of the final stretch sprints were INSANE!" Well done to all on this year's squad.

It was a pleasure to welcome many of our Year 1 parents to a Phonics work shop on Tuesday - I'm just in the process of uploading the presentation (and notes) to our website for reference so everyone else can see how to support children with Phonics at home.

Next Wednesday is our last day of this half term - **so please no children on Thursday or Friday**. Wednesday is also our Harvest performance from lower school and we will once again be collecting donations for Chelmsford Food bank. Please see the letter sent this week for more details.

On a more operational note, can I please ask that those parents who are paying for school meals to check their ParentPay balance regularly - We'll never let a child go hungry, but equally we can't afford to offer credit terms for school meals.

And finally...Today was our 'Wear Red to Show Racism the Red Card' day. We had lots of learning about and celebration of the diversity of our school community. It was a fabulous day. There was SO MUCH RED, so many smiles and so much good conversation.

CROSS THE COUNTRY FOR X-COUNTRY

Rowan is aware that funding changes are making it harder for schools to attend sports events. To help, Rowan plans to fundraise through "Cross the country for cross-country at Mildmay". He will be running, cycling and swimming 120km, finishing in the week of Christmas. More details of his epic challenge will follow. Maybe your child could join Rowan along the way for parts of his quest to help keep him going?
